KEY BENEFITS

STAY CONNECTED 24x7

- Connect to Acumatica in real time so that you always have access to the latest information.

GET MORE FROM YOUR DEVICES

- Integrate with your mobile devices to leverage unique capabilities such as camera or fingerprint reader.

MINIMIZE DATA RE-ENTRY

- Sync all data updates and changes you make in the mobile app with your Acumatica system—automatically.

INNOVATE

- Extend functionality in the mobile app using Acumatica's Mobile Application Framework along with tools and languages your developers already use
- Develop advanced mobile solutions for your ERP on the Acumatica framework.
